

DESCRIPTION OF THE CHALLENGE

CHALLENGE

13.1c- Incorporation of slicing technology for mold bread to minimize losses

SUMMARY

We are looking for a solution company for...

- Minimizing losses in the slicing process of sliced bread.
- Optimizing the bread slicing process.

HOW COULD WE

Get a solution...

- To perform the manufacturing process of mold sliced bread, minimizing losses, below 10%.
- To carry out the manufacturing of bread slices minimizing losses.

REQUIREMENTS

The company must...

- Ensure that your solution can be integrated into existing production lines.
- Ensure food quality and safety.
- Take into account the physical constraints of the facilities.
